
Solution Provider Sessions

Monday 2:45pm and Tuesday 3:15pm

Sessions presented by leading solution providers focus on best practices, vendor strategy or solution offerings.

Gartner Track Sessions

Monday 3:45pm choose from:

- A3.** Business Intelligence and Business Process Platform – a Revolutionary Combination
- B3.** Data Integration for Strategic Business Intelligence and Beyond
- C3.** How to Negotiate with BI Vendors
- D3.** Business Intelligence Competency Centers (BICC): From “Should We?” to “How Should We?”

Tuesday 4:15pm choose from:

- A5.** Financial Services Session – the Role of BI in the Battle Against Money Laundering
 - B5.** The Challenges and Promises for Business Intelligence in Government
 - C5.** The Evolution of Business Intelligence in Retail: From Insight to Action
 - D5.** Playing by the Rules: Healthcare Strives to Standardize and Optimize
-

Executive User Business Intelligence Competency Center (BICC) Panel

Monday 5:00pm

In this lively discussion, frontline executives, who’ve successfully created and implemented BICCs from the ground up, will share road-tested best practices.

Magic Quadrant Session

Tuesday 5:30pm

Get an unbiased view from Gartner analysts on vendors in BI, extract, transform and load (ETL), database management systems, corporate performance management and data quality.

Corporate Showcase Reception

Monday 6:00pm

Join us for a cocktail reception and network with peers and BI technology providers on the exhibit floor.

Corporate Sponsor Hospitality Suites

Tuesday 6:30pm

Hosted by Premier and Platinum Sponsors, these evening theme receptions are ideal for informal networking.
