## AGENDA GUIDANCE

To help you navigate the summit agenda, we've identified track sessions that match your experience level and information needs. Specific categories include:

### MATURITY LEVEL

- F Foundational:** If you are at the early stages of your initiative, or are a newcomer to this space, these sessions will give you the necessary understanding and first steps.
- A Advanced:** If you are an advanced practitioner, these sessions are designed to take your initiative, or understanding, to the next level.

### FOCUS

- T Tactical:** Sessions providing tactical information that can be used straight away, with a focus on "how to", dos and don'ts, and best practices.
- S Strategic:** Sessions focusing on the strategic insight supporting the development and implementation of your action plan.
- V Visionary:** Sessions focusing on emerging trends, concepts, or technologies that will help you with your future planning and decisions.

### PERSPECTIVE

- B Business:** Sessions geared toward business leaders, or IT professionals who need to understand the challenges and opportunities from a business, organizational, or cultural perspective.
- IT Technology:** Sessions that address technical concepts, details, and analysis.
