## Meet one-on-one with a Gartner analyst

At Gartner PPM & IT Governance Summit 2015, you can sit privately for two 30-minute consultations with a Gartner analyst who specializes in a topic you'd like to discuss. This is a great way to reinforce lessons learned and how-to recommendations presented throughout the conference. (Preregistration is required for analyst one-on-one meetings — visit [gartner.com/us/ppm](http://gartner.com/us/ppm) and click on the “Agenda” tab to schedule your analyst one-on-ones with Gartner Events Navigator.)
