AGENDA BUILDER

Our conference [website](#) includes an [Agenda Builder](#) function that allows you to:

- Create a personalized agenda ahead of the summit
- Export your personalized agenda to your Outlook calendar
- Schedule Gartner Analyst One-on-One Appointments and Face-to Face Sponsor Meetings
- View and download conference documentation/presentations.
- View our current list of Sponsors
- Now Available! Agenda Builder for your [Mobile Device](#)

ANALYST/USER ROUNDTABLES (AURs)

All User attendees are invited to register for Analyst/User Roundtable sessions. These discussions are focused on a specific topic, moderated by a Gartner analyst, with limited seating per session. Analyst/User Roundtables are a great forum for hearing what your industry peers are experiencing on topics and issues similar to yours. We would encourage you to pre-book these sessions before arriving on-site. Alternatively, you may register on-site via the One-on-One Registration desk. Bookings will be taken on a first come first served basis. [Click here](#) to schedule and view a full listing of AURs for the Gartner Enterprise Architecture Summit.

GARTNER ANALYST ONE-ON-ONE APPOINTMENTS

Gartner Analyst One-on-One Appointments are 30-minute private meetings with our analysts where clients can ask questions related to their specific needs and issues. Pre-event registration via our online Agenda Builder for Gartner Analyst One-on-One Appointments is available for Wednesday, October 7 only. Appointments for Thursday and Friday may be scheduled on-site at the One-on-One Registration Desk beginning Wednesday, October 7. ONLINE DOCUMENTATION ACCESS

In accordance with global green initiatives Gartner now only offers online access to conference documentation/presentations. If your conference registration is paid in full approximately two weeks (by 5:00 p.m. (EST) September 22) prior to the event you will receive an email providing you with the conference documentation key and online documentation access instructions. The key will allow you to access and download all conference documentation available at that time. We encourage you to take advantage of this offer to preview sessions and plan your time at the conference.

You will also receive the conference documentation key and online access instructions upon registering on-site. If you wish to view session documentation while onsite, we encourage you to bring your laptop and spare batteries. Wireless connectivity will be available in all session rooms as well as throughout the conference space to assist with viewing presentations while attending the conference. If you desire hard copy, it is a good idea to print-out conference presentation before leaving the office, as there are limited printing facilities at the Hyatt Regency Grand Cypress.
